World English Sporting  
Championships 2019

The Devenish Lands at Dowth, Ireland

3rd - 6th July 2019

# Welcome!

Dear Friends and Fellow Shooters,

On behalf of the ICTSA and the ICTSF, we would like to extend a warm “Cead Mile Failte” to all those who are taking part in the 5th ICTSF World English Sporting Championships and associate events.

I would like to thank all those who have made this Tournament possible working tirelessly behind the scenes. In particular we would like to acknowledge the weeks and months of hard work of all our members and volunteers, all of which we are sure will produce an event and week of sport to remember.

These World Championships are intended not just to allow our countries to compete against one another but also to celebrate our sport and build on the comradeship and friendships built up over the years of participation at such events all over the world.

We hope that this year’s championship will continue this tradition and we would like to wish you all every success over the coming week.

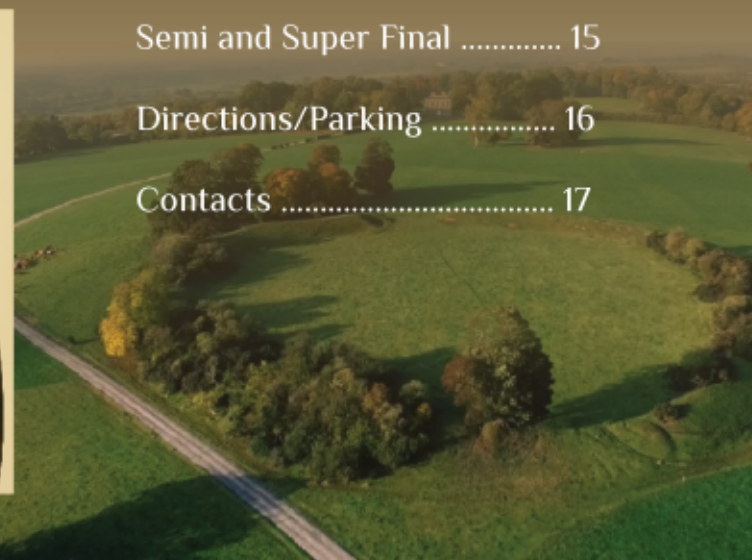

**Peter Hanifin,**  
**Chairman ICTSA**

# The Courses

Course setter:  
**Richard Faulds MBE**

“What we are looking to achieve at this event is a fair balance of as many different target varieties on the terrain that we have here at Dowth.

The biggest and best thing about the estate here is that it has never been shot on before.”
